

Bear Class Newsletter July 2026

Dear Bear Class,

Hello. As we approach the end of the school year, the theme for July will be summer. We will be making some art projects based on this theme as well as talking about it in class. Along with our regular classwork, we will also be reviewing what we have learned throughout this year.

Best wishes,
Teacher Tim

Reading

Since this is the first semester the class will be reading very simple books with only a limited number of words and lots of repetition of sentence patterns. I hope parents can encourage their children to look at the English books at home. The more they see English words, the easier it will be to recognise and read words.

July

Week 1 – Tiny Goes Camping
Week 2 – Tiny the Birthday Dog
Week 3 – Hi Ho Tiny

Core Material

Through the Reading Wonders materials, kids will not only read the story in the book, they will also practice recurring phonetic sounds in the story as well key vocabulary words with sample sentences. This class encourages active participation from the kids as each unit of the book is based on a central idea, and kids in the class will get plenty of chances to share their thoughts.

July

Week 1- Unit 10: p4-17: Problem Solvers
Week 2 – Unit 10: p18-31: Sort It Out
Week 3 – Unit 10: p32-45: Protect Our Earth

Phonics

In the phonics class, we're using the Sadlier Phonics A book, a colourful resource with an easy layout for practicing alphabet sounds. Kids will work on letter recognition of the consonant letters by colouring and tracing in the first semester.

July

Week 1- p196, 197, 198 & 203

Week 2- p204, 205, 206 & 209

Week 3- Catch Up and Review

Maths

Using MPM books and boxes, our math class presents common mathematical concepts in a unique and interesting way, often incorporating animals, colours, and objects associated with fun and games.

Conversation

This year's focus is about numbers, pronouns, everyday objects, animals, community helpers, and more. Daily speaking practice continues through games and fun activities.

Motor Skills

In this class, we give the kids the opportunity to colour, trace, and draw using the provided worksheets. They will learn about different colours and shapes as well as uppercase and lowercase letters though tracing and colouring with a crayon.

July

Week 1- Letters U & V

Week 2 – Letters W & X

Week 3 – Letters Y & Z

Song and Dance

This class is a bonding opportunity for students and myself, where we enjoy songs together. In addition to the scheduled songs, I'll be teaching the children more songs that are suitable for them and in which they show an interest.

July

Week 1- The More We Get Together

Week 2 & 3 – Twinkle, Twinkle Little Star

Thematic Activity

Each month, a different foreign teacher plans and arranges activities based on a given theme, fostering cultural understanding.

The theme for July is summer.

Library/Storybook

Each week, the children and I read a story together. Sometimes we go to the library, but as it can offer too many distractions for them we usually read together in class. The focus is to encourage them to engage with the story, ask and answer questions, and expand their vocabulary.

Thank you for reading!

Best wishes,
Teacher Tim

圖書館／故事時間

每週我都會和孩子們一起閱讀一本故事書。有時我們會到圖書館閱讀，但由於圖書館容易讓孩子分心，因此大多數時間會在教室一起閱讀。課程重點在於鼓勵孩子參與故事，提出問題並回答問題，增加英文詞彙。
