Dear Koala parents,

The end of K5 is drawing to a close, and our final month together will be one to surely remember. It has been an honour and a pleasure to teach Koala Class, and our time together will be cherished. I am looking forward and excited for the graduation and seeing you all soon! ☺

Please see what else we have in store for the month of July below.

#### **Core material**

The core material books are bright, colourful, and filled with engaging pictures that help capture and maintain students' interest. These visuals support understanding and make reading more enjoyable for young learners. The books include many fun and age-appropriate stories that use complete sentences and introduce basic grammar points. Through repeated exposure to these structures, students are able to develop their spoken English skills, improve sentence formation, and gain confidence in expressing themselves orally.

This fun and active routine also supports focus, confidence, and positive classroom engagement throughout the day.

### **Thematic Activities**

The thematic activities are a chance for our students to focus on learning about a country or a specific festival. The thematic activity will be once a week for one hour and the chosen subject will last for the duration of one month. This month's theme will be Summer.

### **Library**

Once a week, the class will visit the library, where I will read aloud to the students and allow each child to choose a book to take back to the classroom for the week. This encourages independence and helps foster a love of reading. If time allows, I will also read a selection of these books to the class and ask comprehension questions to support understanding, listening skills, and engagement with the stories.

Well, that brings us to the end of this month's newsletter. Thank you for taking the time to read about the activities and learning experiences planned for your children. I hope this overview has given you a clear picture of what we are working on in the classroom.

If you have any comments, questions, or concerns regarding your child's well-being, progress, or learning, please don't hesitate to contact me through our weekly English communication book. Open communication between home and school is very important, and I am always happy to hear from you.

Thank you very much for your support and cooperation. I look forward to another fun and productive month of learning together.

Take care,  
Teacher Rich

感謝您撥空閱讀這份課程與活動說明，希望能讓您清楚了解孩子在校的學習內容。

若您對孩子的狀況、學習進度或身心發展有任何問題，歡迎透過每週的英文聯絡簿與我聯繫。保持良好溝通非常重要，我也隨時樂意與您交流。
